TESTIMONIALS

“ Deepak Yadav (CEO Bigfoot Publications)

It's been amazing working with Fiveps Digital, I have been working with them from past 2.5 years and my business has grown enormously. The team is not only good in generating leads but also took good care of branding and pr for my business. My Facebook and WhatsApp got verified in the initial 8 months of working with them.

“ Kunal Singla (MD Skylark Hotels)

I have been associated with past 1.5 years with the firm. Their marketing is affordable and value to money. We got roas of 89% for a campaign in peak season of vacations. I also got GMB optimised from them organically and the results were amazing.

“ Dr. Amar Anand (Cheif Dental Officer at Anand Dental Clinic)

We connected to Pankaj by some reference. And he managed our social media and GMB profile and within 4 months of his work our GMB profile got ranked 2nd as best dental clinic in Panchkula. He is amazing in his skills and gave us unexpected results. We love working with him and his team.

“ Ritu Gupta (Author)

I'm working with pankaj, fiveps founder since months now. I really liked their work and because of them my instagram account has grown so much. they provide me with authentic work. Pankaj's work is in the back of his hands, fiveps has taught me a lot about social media and managed and enhanced it so much saving my time.
